MyAra

With MyAra you can access everything you need in one place and with notifications to keep you updated. To access MyAra (from 21 days prior to your course beginning), you must have a current Ara network login and password (you can use [Ara Self-Service Password Reset](#) to activate your network account). When you first login to MyAra, it will prompt you to change your password. After that, it will ask you to enter more information such as your mobile phone number, personal email address or security questions. This information will be used to reset your password if you forget it.

Key information can be found on the MyAra app and website [MyAra](#), including:

- Learner email
- Your timetable, calendar, and attendance
- Your learner portal
- Moodle (from 14 days prior to your course beginning and you cannot login to Moodle until you have changed your password)

If you do not intend to study with us, let us know as soon as possible so you can be withdrawn and avoid any impact on future study.
